Thank You....

FCCHP showed up in a huge way for our first Saturday of Service event with our partners Hasten International Medical Ministries, Triad Pregnancy Care, Sew to Sow Ministry, and of course our weekly Food Pantry.

Being our first opportunity to work locally with Hasten, there was a huge learning curve for us on the planning front, and we learned things that should make things go even smoother next time. That said, over and over we heard from Pete, Bob, and the other workers who are regulars with Hasten how well things were going and how much of an impact we were having. (Most first time clinics don't see the volume we had.)

This was only true because of the wonderful volunteers we had! From those who performed medical and dental duties, to those who got patients registered, to those working in the parking lots, waiting rooms, Security, Praying with people, etc. Thank you! You were amazing!

Likewise, the food pantry saw an enormous Saturday of serving and they made it look easy (even though we know better)! We know the hard work it took all

week long, not just on Saturday to make what happens in the span of a few hours possible!

It was great to see the youth along with many of the regular volunteers working to provide those in need with much needed food . Many of those hands jumped in early (well before food pantry typically begins rolling) to make sure their patrons had an opportunity to visit the clinics and the coat giveaway as well. Food Pantry volunteers you rocked!

And the ladies of Sew to Sow did more than just pass out coats for kids, they had some of the warmest smiles and most welcoming attitudes around. When people came into the Student Center, they weren't made to feel like they were getting a handout, they were made to feel at home. Thank you Sew to Sow ladies for your service, but also for your class and dignity!

I am always blessed to call FCCHP my home, today I feel even more blessed because of the way you shined the love of Christ into our Community!

Thank you! I love you!
