FCCHP Saturday of Service

October 31st is just around the corner, and we are so excited about how this event is coming together and how God is already at work! We have been sharing with you for a while the role that Hasten International will be playing on the 31st, bringing medical and dental care for those in need. We will, of course, have our Food Pantry operating that Saturday as well. And Sew to Sow ministries has been collecting coats to distribute to school-age children at that same event.

We are excited to announce to you a new wrinkle in what we will have available on that Saturday. Triad Pregnancy Care will be bringing their

Sonogram truck and staff to FCCHP's Campus to provide pregnancy tests, sonograms, and resources for expectant mothers in our community.

This addition sprang from a conversation with Dr. Pete Kunckle of Hasten International where he shared that at these Medical Ministry events you often have young ladies who come for medical treatment and learn that they are pregnant. Unfortunately, often the first voice they hear when they are picked up is advice to terminate that pregnancy.

He suggested that we try and partner with a local Christian Pregnancy Center where we can meet young women where they are with support and a biblical perspective. As soon as we contacted Triad Pregnancy Care they were immediately excited and began looking at the feasibility of being part of this day!

We are excited to have the addition of Triad Pregnancy Care, because not only are they able to provide support for those who may find out they are pregnant that day, they also have amazing resources for others who may need assistance getting proper prenatal care.

As you can see, October 31st is going to be a very busy, and very blessed day here at FCCHP. If you have not yet signed up to be a part of it, it's not too late! Click on the button below to get involved!
