FCCHP will host Hasten's Mobile Medical Ministry

Volunteers Needed

Hasten's domestic ministry includes a mobile medical unit that provides medical and dental services to families in need.

They partner with churches to get into the local community and spread the message of God's love by serving people's needs.

We will need @ 20-25 volunteers (outside of the medical field) to help us make the day run smooth and serve as many people as possible.

This is a great opportunity to get involved with missions in your own backyard!

Send us a message with questions and topics that you would like to see covered in this study.
