## **Seven Homes Volunteer Opportunities**

Our Ministry Partners, Seven Homes Foster Care Agency, has several upcoming events and are in need of volunteers. Because of the nature of their ministry, anyone volunteering with them must have a yearly background check completed by Seven Homes (this is separate from the one we run for our children's department).

If you are interested in volunteering with Seven Homes, there is a link below that will get you started with that process. Keep in mind, it does typically take a short amount of time to get the background checks completed, so please start the process well in advance of the event you are looking to help with.
